13. Please describe this person's greatest strengths as a Instructional Assistant.  
*Please keep your comments constructive and professional, abiding by the Principles of Community*

- Knew when he didn't know something and when to point you in the right direction.

14. Please describe this person's greatest weaknesses as a Instructional Assistant.  
*Please keep your comments constructive and professional, abiding by the Principles of Community*

- Didn't always seem the most confident in himself and his explanations. It's a lot of material and expecting these TAs to know everything and be up to date with every aspect of the class is a tough ask.

15. Do you have any other comments to add to your evaluation?  
*Please keep your comments constructive and professional, abiding by the Principles of Community*

- Sometimes wasn't able to help me with questions at OH but part of that was probably the nature of my questions. Overall, you could tell he was genuinely interested in helping and did a good job.
